## Swords into Plowshares Announces Annual Memorial Scholarship Awards

As a mission of *Central United Methodist Church*, we promote and inspire justice and peace through the visual and performing arts by:

- Serving as a forum for artists to present their works that comment on social conditions.
- Fostering visions of the world transformed to one where peace & justice prevail.
- Encouraging people to use their creativity to express their desire for such a world & to take action to make those visions reality.

**The Gallery has established annual scholarships for College students who are pursuing studies that support our mission statement above. Deadline is July 1, 2020.**

The requirements of the scholarship are as follows:

- Students must be accepted into a College program (either undergraduate or graduate) and pursuing studies that would support working for peace and justice.
- The recipient may use the scholarship funds for tuition and other costs incurred in attending a college or university.
- This is a one-year scholarship. However, a recipient who is not on academic probation and is making satisfactory progress toward completion of a degree may reapply for scholarship renewal. However, priority will be given to new applicants. The student is required to submit a completed application for each year the scholarship is requested.

Applications are available online on our website or by contacting Jo-Ann Snyder at (313) 608-3730 or [joann.snyder@wayne.edu](mailto:joann.snyder@wayne.edu)

**The memorial scholarships are in memory of our volunteers and friends who worked tirelessly to support our mission.**
